Mr. Norman R. Stoner
Division Administrator
Federal Highway Administration
3250 Executive Park Drive
Springfield, Illinois 62703

Attention: J. D. Stevenson

Dear Mr. Stoner:

Enclosed for your approval and use in accordance with paragraph 23 CFR 450.220 is a copy of an ARRA amendment to the Amended FY 2009-2012 Statewide Transportation Improvement Program (STIP) for Illinois. The department is authorizing this amendment to the STIP.

The projects listed in this amendment are for local program projects that are not in a Metropolitan Planning Organization area. The funds for these projects are available due to new ARRA funds. These projects are either funded entirely by ARRA funds or partially funded with ARRA funds and other funds. The local agencies have either placed these projects out for public comment for a 15 day period and did not receive any public feedback or they are currently included in the FY 2010-2015 Multi-Year Program fulfilling the public involvement requirements.

We consider the estimate of costs included in the STIP to be realistic. We concur with the fiscal consistency analysis included in the STIP. The total cost of the STIP remains consistent with the amount of funds expected to be available to this area during the STIP time period. The department, on behalf of the Governor of Illinois, concurs with the projects listed in this STIP.

Sincerely,

Charles J. Ingersoll, P.E.
Acting Director
